## OFFICE OF LEGISLATIVE COUNSEL

## Friday - 25 May 1962

ment To Hong K Tuesda in June subject that I w have be	cesday. The successive and several version assumed might be were quite certains as passed on to	Gurtis Johnson, Staff Director of the scapes Subcommittee of the Judiciary Committee, a hearings which the Subcommittee will hold beginning ubject of the hearings is the refugee problem in indicated that the State Department will testify on voluntary refugee organizations will testify early sames that the Agency had some information on this willing to testify at these hearings. I told Johnson in that any information we had on this subject would to State and could best be covered by them, however, in people and let him know.
the House seemed Transc: and con	ise Committee of the hear	DS-949 concluded his testimony beform Un-American Activities. Overall, his testimony seived by the Committee members in attendance. tring will be provided the Agency for our correction publication. A press release, informally provided made during the day.
House A Persons clearance well if t possible	te by the Burea he proposal cou	Discussed briefly with Rebert Smart, a Committee staff, the amendments to the Missing posed by Defense Department and presently awaiting as of the Budget. Mr. Smart advised that it would be said be transmitted to the Committee as quickly as the time remaining for introduction and handling of this session.
amendm Mr. Edv Mr. Bra	revell indicated	Discussed the Missing Persons Act posed by Defense Department on our behalf with Senate Armed Services Committee staff. In essence d that no conclusion of such measures could be to side prior to action and transmittal by the House.
